In 5 days it will be 3 months. I am still in denial. I keep waiting for the phone to ring and I will hear you say Hi Baby. We said it took 40yrs to find real love how am I ever going to live without you. You left me now I am empty. We only had a couple of years it wasn't enough time. I know you loved memories but I want more with you. I miss you so much my caveman. And I will always love you.

So many things to say..we started out as friends, then tried dating but we knew we were better as friends.I remember you always getting in fights in highschool and you being protective over me at times. We have talked and kept in touch the past 4-5 years and mostly it consisted of you telling me stories and me lecturing you. I will miss your laughter my friend. I pray you are at peace now. Until we meet again.

My heart goes out to Shane's immediate family for this tragic loss. Words are simply inadequate at a time like this. May our good memories of Shane soothe our pain.
